

PROPHECY IN THE STARS – ADVANCED

SUMMARY

This paper follows two papers '[Prophecy in the Stars – Basic](#)' and '[Prophecy in the Stars – Expanded](#)' found on Page 7 STARS. None of what is written here will make sense to you unless you read those two papers – they that lay the foundation for all that is written in this paper.

Prophecy in the stars tells the story of the conflict between good and evil: who will control the world? Will it be the Hebrew Messiah with his holy ones or will it be the Prince of Darkness and his Anti-God World System? Prophecy in the Bible tells the same story as is written in the stars.

What if there was a way to link prophecy in the Bible with prophecy in the Stars? There is!

The Book of Genesis has 50 chapters. There are 50 constellations (Argo is divided into three).

Taking the example of the sign of Pisces (see diagram above) we make the following links:

Sign #7 Pisces 'The Fishes' links to Genesis 7 'Noah Enters the Ark'

Sign #21 The Band 'Fish Tied to Leviathan' links to Genesis 21 'Isaac Covenants to Abimelech'

Sign #24 Andromeda 'Woman of Chains' links to Genesis 24 'Isaac meets Rebekah after Dark'

Sign #48 Cephus 'Exalted Father' links to Genesis 48 'Jacob blesses Ephraim & Manasseh'

The table on the following page links each of the 50 chapters in Genesis to a unique constellation in the stars. Having trouble understanding the prophetic significance of a chapter in Genesis? Go to the constellation in the stars for insight. Or, having trouble understanding the significance of a constellation in the stars? Go to the linking chapter in Genesis for insight.

We can take this mapping of signs in the stars to chapters in Genesis to the next level.

Bible students are able to make the association of the story of Abraham climbing Mount Moriah with his son Isaac and the story in the life of Christ of Jesus carrying his Cross to Golgotha.

Chapter 22 in Genesis

Sign #22 Southern Cross

Jesus Carries Cross

From our first paper we know that the signs of the Zodiac fall into four prophetic themes:

- **Life of Christ:** Virgo, Libra, Capricorn
- **Age of Grace:** Aquarius, Pisces, Aries
- **World Nations:** Taurus, Scorpio, Sagittarius
- **Tribulation:** Gemini, Cancer, Leo

Based on this insight, we can now categorize all the signs in the heavens and all the chapters in Genesis according to which of the four prophetic themes they fall. We have provided this grouping for you in the table on the following page.

Are you interested in studying prophecy related to the life of Christ? Go to the table and see which star signs and which chapters in Genesis have that topic as their primary theme. Study those first – that will give you the main insights. There may be details in other chapters too.

HOW CAN WE BE SURE WE HAVE THE CORRECT LINKS?

The stars and the written words in the Bible are two witnesses of God's truth. Another witness is the meaning of spiritual numbers. If the groups of chapters / star signs we propose is divinely inspired and not human invention, then there should be verification in the numbers. We will provide a couple of examples and leave the rest of the verification to the reader.

SIGN OF VIRGO

The signs / books in the Bible are:

1 (Virgo: Seed of Woman) / Book of Genesis [*God made provision for our salvation*]

33 (Coma: Promised Child) / Book of Micah [*Predicts the birthplace of Messiah*]

47 (Centaurus: Mighty Man Brought Low) / Book of 2 Corinthians [*Paul is exasperated*]

49 (Good Shepherd: Shepherd Guards His Sheep) / Book of Ephesians [*Safe in His Love*]

The meaning of individual spiritual numbers:

1 means 'Beginning' or 'Unity' ~ The Virgin was the 'beginning' of God's plan of salvation: his purpose to bring about 'unity' of the faith to the whole world: Jew and Gentile.

33 means 'Scattered Remnant' or 'Truth'(**3**) 'Hidden'(**11**) ~ Very few believers put their faith in Christ when he came because for most Israelites the 'truth was hidden' from their eyes.

47 means 'Humiliation' ~ Jesus came to those who were his own, but they received him not. Even worse, they turned him over to the Gentile ruler to be crucified: publically 'humiliated'.

49 means 'Time of End' and 'Father's Love' ~ Jesus obeyed his Father right to the end! On the merits of the sacrifice of Christ the Father will love us to the end! We escape condemnation.

Sums of individual spiritual numbers:

1+47 = 48 'Father's Blessing' ~ By suffering the 'humiliation'(**47**) of the Cross, and bearing the punishment of sin, Christ brought 'unity'(**1**) between the Fathers and sinners and Himself.

33+47=80 'Son of Man' or 'Prayer' ~ Jesus took upon Himself the title 'Son of Man'(**80**) which links him to Ezekiel, the prophet to the scattered sheep of Israel. Both were men of 'prayer'(**80**)

33+49=82 'Throne of God' ~ Because of his 'Love of the Father' (**49**) Jesus the 'rejected one' (**33**) has been promoted and now sits on the 'Throne of God' (**82**) in Heaven.

These are some of the numerical associations for **Virgo**. We will leave it there and move on.

SIGN OF PISCES

This is a most interesting sign because it pertains to the Age of Grace we are now in.

The signs are:

7 (Pisces: Two Fishes): Book of Judges [*Israelites in bondage to alien rulers - rarely break free*]

21 (The Band: Fishes Tied To Leviathan): Book of Ecclesiastes [*Teachers have no clue at all*]

24 (Andromeda: Woman in Chains): Book of Jeremiah [*man's religion is a deep bondage*]

48 (Cephus: Exalted Father): Book of Galatians [*Apostles teach freedom in Christ by faith*]

The individual number meanings:

7 means 'The End' or 'Time' ~ The Age of Grace will not be interminable. Christians must make the most of the 'time' (**7**) because the [barley] harvest will come to an 'end' (**7**).

21 means 'Lawlessness' ~ The Christian is freed from The Law (of Moses) – not to be 'lawless' (**21**) but to obey the Spirit of Holiness and Love – the Spirit of God.

24 means 'Priest' ~ Believers are priests because we make the acceptable sacrifice to come to God on the merits of the Cross. **Andromeda** represents Man's Religion – the bondage of Christians submitting themselves to a priest on earth. Our High Priest is Jesus – He is in Heaven.

48 means 'Father's Blessing' ~ Believers partake in the covenant of Melchizedek – our salvation provides us with the Righteousness of Christ and Peace with the Creator of Heaven and Earth.

7+21=28 'Christ In You' ~ In the star sign the **Free Fish** is swimming towards **Aquarius**, who represents the humble servant leader. Christians are 'Little Christs' (**28**). We do the works of Jesus because the Spirit of God, who was in the Messiah without limit, operates in us.

21+24=45 'Preservation'. So long as we keep 'Jesus as Lord' and stay away from 'Man is Lord' the Kingdom of God will thrive and we will 'preserve' (**45**) the world from destruction. We are the salt of the earth. But if the earth is not kept salty it is thrown out. Prophetic stuff!

Through feeble faith and false teaching and the sin of the flesh Christians can behave horribly. We see this in **21+48=69** 'Killing Believers'. Jesus said if we don't forgive our brother, we are guilty of murder. Christian community is a brotherhood; we are a royal priesthood, a holy nation, a people belonging to God, to declare His praise, each one of us equal in value before God, none of us set above the rest: united in love and charity we serve one another. Any system of man - any religion - that divides Christian fellowship into sects, factions, or denominations is abhorrent to God: culpable of murder on a grand scale, a thing of evil.

SPIRITUAL NUMBERS –BY GROUP

Another way to validate whether the message in the stars matches up to the number of the chapters in Genesis or to the numbers of the books in the Bible is to see what they add up to in their natural groups or divisions. We will show some examples.

The three zodiac signs which relate directly to the **Life of Christ in his First Coming**:

Virgo = 1 + 33 + 47 + 49 = 130 'Accusation'

Libra = 2 + 14 + 15 + 22 = 53 'Faithful Witness'

Capricorn = 5 + 13 + 28 + 37 = 83 'Nations That Hate God'

Message: Nations That Hate God {Religious Jews} Accuse (the) Faithful Witness {Jesus}.

Virgo + Libra + Capricorn = 130 + 53 + 83 = 266 'Inequity In The Flock'

Message: Jesus preached 'The Kingdom of God is at Hand' which meant if the Jewish Nation had accepted him as Messiah the Millennium Kingdom would have come to Earth. But the religious leaders wanted to preserve their status as the elite priests and rulers of the Jewish Nation – they wanted 'Inequity in the Flock' preserved.

The three zodiac signs which relate to the **Age of Grace – Christians in the World**:

Aquarius = 6 + 26 + 29 + 46 = 107 'Cry Out To God In Distress'

Pisces = 7 + 21 + 24 + 48 = 100 'Holy Flock'

Aries = 8 + 30 + 41 + 42 = 121 'Watchman'

Message: Watchman {apostles} (of) Holy Flock {believers} Cry Out To God In Distress

Aquarius + Pisces + Aries = 107 + 100 + 121 = 328 'Conspirators Assassinate King'

Message: Why do the 'Watchmen' 'Cry Out To The Lord In Distress'? A conspiracy of men among the saints has introduced man's religion into the 'Holy Flock'. They have exalted religious leaders as lords instead of upholding Jesus as Lord. The headline in the prophetic news in the Age of Grace is: 'Conspirators Assassinate King'.

Isn't this slap-your-forehead amazing? There is not only a match between signs in the stars and chapters and books in the Bible, there is even a hidden message in the spiritual numbers of those groups when summed together! This cannot be the invention of man – it must be the finger of God who put all those signs in the sky and all those words in the Bible.

The three zodiac signs which relate to the period of time the **World Nations Rule the Earth**:

Sagittarius	= 4 + 17 + 18 + 27 = 66	' <u>Idol Worship</u> '
Taurus	= 9 + 35 + 43 + 45 = 132	' <u>Anointed One</u> ' {King}
Scorpio	= 3 + 20 + 31 + 32 = 86	' <u>Nations Worship God</u> '

Message: Anointed One {king} (of) 'Nations Worship God' (is sunk in) 'Idol Worship'

Sagittarius + Taurus + Scorpio = 66 + 132 + 86 = 284 'Error in Judgment'

Message: This is what we said in our earlier 'Prophecy in the Stars' papers. Satan is the god of this world. He tempts men to follow the Way of Satan with the enticement that they will be rewarded with a greater share of wealth in this life than the poor people they must rob and oppress to obtain the extra power and money they crave. In the end Satan corrupts those rich people into worshiping things that are not God and thereby brings the wrath of God upon themselves and people under them. Satan tricks them into an 'Error of Judgment': they pay with their eternal souls.

The three zodiac signs which relate to the **Great Tribulation**:

Gemini	= 10 + 23 + 34 + 36 = 103	' <u>Word of God</u> '
Cancer	= 11 + 16 + 40 + (25+39+50) = 181	' <u>Alien Ruler</u> '
Leo	= 12 + 19 + 38 + 44 = 113	' <u>Rapture</u> '

Message: 'Word of God' (says there will be a) 'Rapture' and an 'Alien Ruler'

Gemini + Cancer + Leo = 103 + 181 + 113 = 397 'Pardoned People Worship'

Message: We have it on the authority of the 'Word of God' that: (1) there will be a 'Rapture' (Christ is risen, then Christians are raised at the end of the Age of Grace, then the Two Witnesses are raised in the midst of the Great Tribulation); and (2) every nation will give up its sovereignty to an 'Alien Ruler' who we know as the Anti-Christ. But when we combine the numbers of Gemini, Cancer, and Leo together we get a positive message, that after the Great Tribulation God will breath will restore the devastated Earth, install Christ as King on the Throne of David in Jerusalem, and usher in a thousand year kingdom of peace: 'Pardoned People Worship'.

We hope that your mind has been inspired and your heart blessed by these words.
