	THEME 37: CHOSEN SERVANT (ARISES IN A DARK TIME)									THEME 38: HARLOT BREAKS FAITH (BUT GOD HONORS HIS VOWS)									THEME 39: ADULTEROUS WOMAN CAN'T REPENT (MUST BE DESTROYED)											
Great Themes (Nines)	There is a dark place in the spiritual journey of a community when the institution they expect to preserve truth has lost it. The institution deems the inspired Man of God to be worthless. Yet, he is God's chosen servant and God strengthens his arm.									The people who are called by God's name no longer trust in Him nor fear his discipline. The meek of the earth suffer and they call upon God to save them. God who is all-powerful saves the oppressed and gives them rest.									The people who once took God's name but who now trample the poor will be severely punished. Destruction will come upon them suddenly. The precious meek ones quietly and patiently wait for the salvation of God.

PERFECT THINGS	[Church Strays from Fear of God:] The eye of the adulterer looks for the dusk; he thinks 'No eye will see me.' Men move boundary stones, they pasture flocks they have stolen. Like wild donkeys in the desert, the poor go about their labor of foraging food. Lacking clothes, they spend the night naked; they have nothing to cover themselves in the cold.			[Man of God on His Knees:] How can a man be righteous before God? How can one born of woman be pure? When he has tested me I will come forth as gold. Who can understand the wonder of his power? How you have saved the arm that is feeble!			[Thinking Becomes Lawlessness:] I sinned and perverted what was right, but I did not get what I deserved. He keeps company with evildoers, he associates with evil men. It profits a man nothing when he tries to please God. I will show partiality to no one, I will [show respect to] no man. He says to kings 'You are worthless' and to nobles 'You are wicked' Without inquiry he shatters the mighty and sets up others in their place.			[God is Love] He does not take his eye off the righteous. Listen! Listen to the roar of his voice! Who provides food for the raven when its young cry out to God?			[We Cannot Save Ourselves] Do you have an arm like God's? and can your voice thunder like his? Then I will admit that your own arm can save you. Can you pull in the Leviathan with a fishhook? Or tie down his tongue with a rope?			[His Love Protects] I despise myself and repent in dust and ashes. He said to me: 'You are my Son; today I have become your Father' You are a shield to me O Lord, my Glorious One who lifts up my head.			[His Righteousness Judges] If I have done evil to the one who is at peace with me... then let my enemy pursue and overtake me. He will judge the world in righteousness; he will govern peoples with justice			[His Justice Punishes] Arise O Lord! Lift up your hand O God. Do not forget the helpless. Break the arm of the wicked man.			[His Generosity Overflows] How long must I wrestle with my thoughts and every day have sorrow in my heart? Who may live on your Holy Hill? He who has clean hands and a pure heart and does not lift up his soul to an idol.					
SINFUL THINGS	[Hardened sinner says:] The groans of the dying rise from the city, and the wounded cry for help. But God charges no one with wrong. My conscience will not reproach me as long as I live.			[Swelling Self-Love; Self-Admiration:] Men listened expectantly of me, waiting in silence for my counsel. When I smiled at them they scarcely believed it; the light of my face was precious to them! [Religious Man says:] Let God weigh me on honest scales and he will know that I am blameless. I will give God an account of my every step; like a prince I will approach him.			[Man Who Thinks He Is A God says:] Let me discern for myself what is right Who appointed God over the earth? Who put him in charge of the world? Listen to <u>my</u> words! Pay attention to everything I say!			[Liars Love a Delusion] Not a word from their mouth can be trusted. Their throat is an open grave [Liars Belittle Sin Against God] Gaze at the clouds so high above. If you sin, how does it affect him? The wicked are like chaff that the wind blows away... How long will you love delusions?			[Liars Love a Delusion] Not a word from their mouth can be trusted.
