

14 AD – JESUS THE KING OF RIGHTEOUSNESS / TIBERIAS PEACEMAKER

Jesus is sojourning in Syria. It is the 14th year since Jesus returned to the Holy Land in 3 BC. Jesus meditates on Genesis 14 and Isaiah 1 v 14, and Songs 8 v 4. Abram attacked the Kings of the East at night and pursued them across Syria to Hobah which is north of Damascus. Jesus is resting in the very place where Abram won his great victory and rescued Lot.

It is remarkable that from the time Jesus appeared in the Temple in 9 AD to his death – there was peace in all the Levant and Palestine. Melchizedek is the King of Salem – King of Peace!

In 14 AD TIBERIAS became Emperor of Rome. His first act was to lead a military force into Armenia. Instead of attacking – Tiberias negotiated a PEACE – that permitted Armenia to be an independent state but a client of Rome. There was peace between Rome and the very same Kings of the East – the Parthian Empire – which included Shinar (Babylon) Elam (western foothills of Persia) and Ellasar (South of Babylon) – that are spoken of in the account of Genesis 14.

In 301 AD Armenia became the first sovereign nation to accept Christianity. The spiritual number 301 means ‘KING PILES UP WEALTH’. By Christ submitting to the will of God and choosing to die on the Cross – he ensured that His Kingdom would be larger than Sodom – the Kingdom of Judah – and would eventually increase to fill the world.
