

## 6 AD – THE MOUTH OF FLESH

Jesus said many lovely, perfect, and true things. Jesus revealed mysteries in the ears of men that were hidden from the dawn of the world. The words of Christ were ‘apples of gold in bowls of silver’. Jesus told men what the Father – God in Heaven – is like. No one has ever seen God but Jesus made him known. When men beheld Jesus they saw the truth of God.

Jesus said ‘And the Father himself who sent me, has testified of me. You have neither heard his voice nor seen his form. You search the Scriptures for in them you think you have eternal life and these are they which testify of me. But you are not willing to come to me to have life. For if you believed Moses, you would believe me, for he wrote about me. But if you do not believe his writings, how will you believe my words?’

Yet there was a giant in the land. One who sat on the throne of Judah and boasted himself ‘King of the Jews’ – even that son of Herod the Great. And his heart was evil – inclined to any measures to keep his own power – including the head of the Baptist on a platter. Who was the King of the Jews? The children of Judah bowed to King Herod and obeyed his word. The Father in Heaven would glorify his true son and give him the throne of David forever and ever.
