

## 1603 AD – QUEEN ELIZABETH DIES UNLOVED BY HER PEOPLE

**“Mine heritage is unto me as a lion in the forest; she roars against me: therefore have I hated her.” (Jeremiah 12 v 8)**

### EVENTS IN 1603 AD

In **1603 Queen Elizabeth** died. The people had come to despise her government.

In **1601** there was such agitation in the House of Commons concerning poor economic conditions **Elizabeth** made a special appeal to the people’s representatives: her ‘Golden Speech’ to 141 members of the House of Commons in Whitehall.

Due to the Nine Years War in Ireland the finances of England were in extremely poor shape (see our paper [1594 AD](#)). As a form of patronage the Queen granted monopolies. The effect of monopolies was to drive up prices and lower living conditions for common people. Because of this the House of Commons was extremely agitated almost to the point of insurrection.

In her Speech **Elizabeth** confessed three things: love for her subjects: ‘*There is no jewel, be it of never so rich a price, which I set before this jewel: I mean your love*’: fear of Almighty God, ‘*I have ever used to set the Last Judgement Day before mine eyes and so to rule as I shall be judged to answer before a higher judge*’; and denial of responsibility for her policies: ‘*if my kingly bounties have been abused and my grants turned to the hurt of my people contrary to my will and meaning, and if any authority under me have neglected or perverted what I have committed to them, I hope God will not lay their culps and offenses in my charge.*’

In **1603 King James I** was crowned King of England. **Elizabeth** was never married and so had no children. **King James** was the son of **Mary, Queen of Scots**, and a great-great-grandson of **Henry VII**, King of England. Thus ended the Tudor Dynasty of England and thus began the Stuart Dynasty. **King James** united the three crowns: Scotland, Ireland, and England. This laid the foundation for the political union of Scotland and England in **1707**, the ‘United Kingdom’.

**James** was also faced with political animosity in England. James was a Protestant so the parties who opposed him were Catholic radicals. In **1605** there was an assassination attempt on the life of **King James** with the purpose of elevating his Catholic daughter to the throne. Unlike **Elizabeth**, **James** was an absolutist monarch and did not hold the advice of parliaments in high esteem. **James** repeatedly dissolved parliaments and berated their antagonism to him.

## PROPHECY OF JEREMIAH 12 V 8

**“Mine heritage is unto me as a lion in the forest; she roars against me: therefore have I hated her.”** (Jeremiah 12 v 8)

The first part of the prophecy is the legacy of **Elizabeth**: **‘Mine heritage is unto me as a lion in the forest; she roars against me’**. In spite of her undying devotion to her subjects, Elizabeth bore their scorn; in spite of their hatred and agitations she never ceased to profess her love.

The second part of the prophecy is the legacy of **King James**: **‘therefore have I hated her’**. **King James** was of the opposite stripe. He did not bear the folly of fools lightly and strong-armed the parliament into behaving more respectfully as a servant of the Crown.

## SPIRITUAL NUMBER ANALYSIS

For a mind that has wisdom please read on. See truth from another perspective.

### PART ONE

Chapter **12** of Jeremiah is the **81<sup>st</sup>** chapter of The Prophets.

The spiritual number **81** means ‘Holy Angels’

Holy Angels are powerful ministers of God. It is never wise to speak disrespectfully to them. In this sense, monarchs are to be respected if not feared for they bear the sword of judgment. The English people wrongly accused their monarchs, like a sick man accusing his doctor that he has an illness. Yet monarchs are too human, and can’t be expected to solve every problem or even address every problem.

### PART TWO

Jeremiah **12 v 8** is the **19,258<sup>th</sup>** verse in the whole Bible starting at Gen **1 v 1**.

The number **19,258 = 2 x 9629 [1189<sup>th</sup> prime]**

The spiritual meaning of **2** is ‘Division’

The spiritual meaning of **1189** is ‘Power of Demons Broken Lord Appears’

The spiritual meaning of **9629** is ‘King Who Fears God Reigns’

**King James** was a Protestant. For the Puritans he was seen as the gift of God and the answer to their prayers. To the Catholics he was seen as a demon incarnate and destroyer of all that is holy. Both were wrong.

**King James** was a Protestant but that doesn't mean he feared God with all his heart. Here is the error of the people judging **King James** through a religious lens. God doesn't look on the outward appearance, God looks upon the heart.

The spiritual numbers tell us: 'Division' (2) of 'King Who Fears God Reigns' (9629). Even if **King James** was reverent towards the majesty of the Most High, and evidence would suggest that he was, **King James** was faced with the ire of subjects who resisted his authority and his will. So, the 'King Who Fears God Reigns' (9629) was 'Divided' (2).

These historical matters are our tutors to lead us to hope in the Kingdom of God on this earth.

Until **Jesus Christ** returns to this earth in the Millennium this world will not see all necessary conditions for peace on earth: (1) A King of the World with unlimited power who is filled with perfect wisdom through the Holy Spirit, and (2) All people everywhere, who are still alive, who will love and worship the King with all their hearts.

Until Kingdom come, every monarch who will ever reign will rule with limited power and with limited reason and divine wisdom. Even the **Anti-Christ**, who will rule over the entire globe, will never enjoy unlimited power and perfect wisdom that will mark the Millennium reign of **Jesus Christ**; neither will the **Anti-Christ** enjoy the full loyalty and heart devotion of all citizens despite his efforts to instill fear in them.

### PART THREE

Jeremiah **11 v 22** is the **1603<sup>rd</sup>** verse of The Prophets starting at Isaiah **1 v 1**.

The number **1603** = **7 x 229**

The spiritual meaning of **7** is 'End' or 'Time' or 'Sword'

The spiritual meaning of **229** is 'Apostate Tribe'

In **1604 King James** commissioned the translation of the Bible into English. Finally the errant ways of the Catholic Church in England of suppressing the publication of Scriptures in the

common tongue were overcome. The work and prayers of Wycliffe to make Scriptures accessible (see our paper [1381 AD](#)) finally bore fruit. The commission of **King James** for a Bible for the people laid the foundation for anointed preachers to speak profound truths of God to the masses, which resulted in great revivals to come to England a little over a hundred years later. Through the personal salvation of millions England would cease to be a nation apostate to God. Although **King James** did not see it, the day was dawning.
