

## 1706 AD – ‘BIRTH OF BEN FRANKLIN: CHIEF WIZARD OF THE CABAL’

“**O my mountain in the field, I will give thy substance and all thy treasures to the spoil, and thy high places for sin, throughout all thy borders.**” (Jer. 17 v 3)

### EVENTS IN 1706 AD

In **1706** **Benjamin Franklin** was born in Boston Massachusetts. **Franklin** played a key role in securing independence from Great Britain for the thirteen colonies in America.

**Franklin** publicly promoted Enlightenment but privately he studied mystery religion intently. Officially he was a Deist: believing in a Supreme Being but denying the divinity of Christ. He spoke much of good morals, even the virtue of religion in restraining vice, but he himself was a leech<sup>1</sup>. He showed in America a man of humble roots could gain wealth and political position if he had raw ambition, natural talent, and connections to the Masonic Lodge.

### POLITICAL LIFE OF BEN FRANKLIN

In **1731** **Franklin** was a freemason initiated into the Lodge and later became grand-master. He edited and published the first Masonic book in America: ‘*Constitutions of the Free Masons*’.

In **1751** **Franklin** was elected to the Pennsylvania Assembly.

In **1753** **Franklin** was appointed joint-deputy postmaster general of British North America.

In **1756** **Franklin** organized the Pennsylvania Militia.

In **1757** **Franklin** was sent to England to protest the prerogative of the **Penn** family in his state.

In **1766** **Franklin** spoke to British Parliament and refuted their claim America must pay taxes to cover the cost to Britain. He argued America provided soldiers for the French and Indian War.

In **1776** **Franklin** was dispatched to France as the commissioner for the United States. He also was active as a freemason, serving as Grand Master of the Lodge *Les Neuf Soeurs*.

In **1776** **Franklin** co-drafted the **Declaration of Independence**. At the signing, he said: “*We must most assuredly hang together or we shall all hang separately*”.

---

<sup>1</sup> “Advice to a Friend on Choosing a Mistress” is a letter written by Benjamin Franklin, dated June 25, 1745, in which Franklin gives advice to a young man about channeling sexual urges. Due to its licentious nature, the letter was not published in his lifetime.

## PROPHECY OF JEREMIAH 17 V 3

**“O my mountain in the field, I will give thy substance and all thy treasures to the spoil, and thy high places for sin, throughout all thy borders.” (Jeremiah 17 v 3)**

The prophecy has many applications. We will address three.

- (1) The verses around Jeremiah 17 v 3 pertain to a judgment of **England** based on the sins of its liturgical national Church. Punishments begin with declining power in the monarchy (see our paper [1702 AD](#)). In this context: ‘**my mountain**’ is the Protestant faith; ‘**in the field**’ is **England**. **England** will lose its worldly treasures: the American colonies: ‘**I will give thy substance and all thy treasures to the spoil**’, and its spiritual treasures: a great many of the most sincere and passionately devoted Christians will move to America (the **Puritans**, the **Pilgrims**, the **Congregationalists**, and the **Quakers**). What will remain in **England** will be a rotting official religion: ‘**and thy high places for sin, throughout all thy borders**’ and self-indulgent elites;
- (2) **William Penn** was a God-fearing patron of the land of **Pennsylvania** (see our paper [1687 AD](#)). He set the framework of a place for resettlement of persecuted people from Europe where they could practice their faith without fear. But, the paradise **Penn** had in mind would be spoiled by **Ben Franklin** and his sort. With their manipulation of politics they would transform Pennsylvania from a quiet community of God-fearing farmers into a bustling metropolis of commerce and the high life: ‘**O my mountain in the field, I will give thy substance and all thy treasures to the spoil**’. They would erase the humble chapels that dotted the map in every town and replace them with colleges of scientific learning: ‘**and thy high places for sin, throughout all thy borders**’;
- (3) But the **America** of **Ben Franklin** will have her come-uppance. **America** will be rich, but her riches will rot and decay. The LORD says: ‘**O my mountain in the field, I will give thy substance and all thy treasures to the spoil**’. At the end of 2015 **America**’s federal debt will be \$18.6 trillion, roughly equal to its GNP. **America**’s wealth and all its treasure will spoil, lost to pay nations overseas (chiefly China) who lend to it. The moral fibre and decency of Americans will also decline from the high water mark of the first **Pilgrims**, **Puritans**, and **Quaker** settlers to the shallowness of the entertainment industry and the decadence of drinking establishments: ‘**and thy high places for sin, throughout all thy borders**’. **America** loved gold. It will end up with ashes of mourning.

## SPIRITUAL NUMBER ANALYSIS

For a mind that has wisdom please read on. See truth from another perspective.

### PART ONE

Chapter **17** of Jeremiah is the **86<sup>th</sup>** chapter of The Prophets.

The spiritual number **86** means 'Nations Worship God'

All people are religious – their hearts must worship something. **Ben Franklin** was instrumental in leading the hearts of Pennsylvanians (and later all Americans) away from the plain **Puritan** work ethic and the simple **Quaker** spirituality of a one-on-one relationship with God. **Ben Franklin** espoused a new American faith: filling the mind with scientific knowledge and filling the soul with desire for self-fulfillment (self-determination), affluence, and the worldly life.

### PART TWO

Jeremiah **17 v 3** is the **19,361<sup>th</sup>** verse in the whole Bible starting at Gen **1 v 1**.

The number **19,361 = 19 x 1019** [**171<sup>st</sup>** prime]

The spiritual meaning of **19** is 'Faith'

The spiritual meaning of **171** is 'Occult Practices'

The spiritual meaning of **1019** is 'Stick Set on Fire: Men Appoint an Apostle'

The **1019<sup>th</sup>** chapter of the Bible is Acts 1, the account of the ascension of Jesus from the Mount of Olives followed by the appointment of Mathias to replace the betrayer Judas.

No sooner had Jesus departed than the leaders began to form a religion based on men appointing men to positions of spiritual authority!

The way they selected the leader is they brought two candidates forward and drew lots. Both of the candidates were hand chosen, so the drawing of the lot did not provide the Lord any freedom to select a man of his own choosing.

It was a crafty conniving trick to manipulate the process of elections. Very similar to the Presidential election in the United States where the people may vote, but may only choose

from two individuals chosen to represent the two powerful political parties. These are in turn chosen from among other hand-picked groomed party candidates. The process is prone to manipulation and behind-the-scenes deal-making between party insiders and bag-men.

The 'Occult' is involved with controlling affairs to achieve desired ends, without any regard to fairness or infringement of the rights of parties involved. America boasts of its freedoms, but those freedoms are cancelled by a rigged system of political appointments. America is steeped in occult from before it became a nation.

The American political system was set up so that no one person or branch of government has final authority. By design America is prone to be manipulated by actors behind-the-scenes.

While its citizens believe they possess freedom, the truth is their country is controlled by secret cabals of wealthy men to this day.

### PART THREE

Jeremiah **17 v 3** is the **1706<sup>th</sup>** verse of The Prophets starting at Isaiah **1 v 1**.

The number **1706 = 2 x 853** [**147<sup>th</sup>** prime]

The spiritual meaning of **2** is 'Division'

The spiritual meaning of **147** is 'Father's Possession'

The spiritual meaning of **853** is 'Sons of God Not Burned'

The **853<sup>rd</sup>** chapter of the Bible is the story of Nebuchadnezzar when he commanded that Shadrach, Meshach, and Abednego be thrown into the fiery furnace for not bowing down to the idol of gold he set up. God preserved his three witnesses and they were not burned in the fire even though it was heated seven times its normal temperature.

America will not possess witnesses like those three. Americans will bow down to the golden idol and pursue wealth and self. Humility will disappear in the land: it will perish in the fiery furnace.
