

## 1751 AD – ‘MADISON IS BORN: LAW MAKER FOR AMERICA’

**“Therefore deliver up their children to the famine, and pour out their blood by the force of the sword; and let their wives be bereaved of their children, and be widows; and let their men be put to death; let their young men be slain by the sword in battle.” (Jer. 18 v 21)**

### EVENTS IN 1751 AD

In March 16, 1751 **James Madison** Jr. was born near Port Conway, Virginia.

### LIFE OF MADISON

**James Madison** possessed a legal mind of the first order but his spirituality suffered thereby.

Although educated by Presbyterian clergymen at the College of New Jersey (now Princeton University) historians have noted from studying his writings after he graduated from college: *‘there is no trace [of]... religious convictions’*.

The young **Madison** served as a member of the Virginia Legislature where he became a protégé of **Thomas Jefferson**. The political careers of **Madison** and **Jefferson** became closely intertwined. (Please see our paper [1743 AD](#) on prophecy related to **Jefferson**).

From 1780 to 1783 **Madison** served in the Continental Congress. He proved his abilities in drafting legislation and building parliamentary coalitions.

From 1784 to 1786 **Madison** served again in the Virginia Legislature. There he observed firsthand the caprices of democracy: the tendency of delegates to cater to constituents not to seek the best interests of the State first and foremost. This he called *‘excessive democracy’*.

In 1786 **Madison** worked with **Jefferson** in drafting the Virginia Statute for Religious Freedom which disestablished the Church of England and ended compulsion of religion.

### CONSTITUTIONAL CONVENTION

In 1787 a convention was called in Philadelphia to address the insufficiency of the Articles of Confederation. The Articles had empowered the Continental Congress to direct the

Revolutionary War, conduct diplomacy, and administer the corporate interests of the thirteen sovereign states (original colonies). During this time there was no federal government.

After the Revolutionary War there was a national debt but Congress had no power to tax. A break-up of the confederation and bankruptcy were a real possibility.

**Madison** drafted a document called the Virginia Plan which the Philadelphia Convention used as a draft and from there developed the US Constitution. For this reason **Madison** is called the '*Father of the Constitution*'. In truth, his original draft was highly amended.

**Madison** was a central figure in the US Constitution debates. He spoke over 200 times at the Convention and was esteemed by the delegates for his knowledge and imagination.

The central issue in the debate was how to share power between the states and the federal government. **Madison** was influential in designing a compromise of '*shared sovereignty*'.

**Madison** helped convince states to ratify the Constitution by co-authoring 85 newspaper articles, the 'Federalist Papers', to communicate the virtues of the new form of government.

In 1789 the US Constitution came into force.

Anti-federalists were concerned individual rights weren't protected in the Constitution.

**Madison** set to work drafting amendments to make up for the lack of a Bill of Rights.

In 1791 the Congress and Senate ratified ten amendments to the Constitution. As the original author (there were revisions) **Madison** also became known as the '*Father of the Bill of Rights*'.

In 1801-1808 **Thomas Jefferson** named **James Madison** his Secretary of State.

In 1809-1817 **James Madison** was elected President of the United States twice.

## **WAR OF 1812**

France was the natural ally of the United States, but Great Britain was the chief trading partner. Napoleon attempted to force European states to embargo Great Britain. Great Britain applied naval pressure against Napoleon. At the same time the Royal Navy was boarding American ships in international waters and impressing US sailors into service.

An angry American public called for war on Great Britain and assertion of national sovereignty.

The US declared war and attempted an invasion of British North America. Due to incompetent generals and poorly trained militia it failed. To add insult to injury, the British raided Washington and burned the White House, the Capitol, and other public buildings.

The Americans battled back. They won decisive victories on the sea and on the land. In 1815 the Treaty of Ghent ended the war. The same year Napoleon lost the Battle of Waterloo. America and Great Britain were able to reset diplomatic relations.

Americans felt they had successfully fought the 'Second War of Independence' from Great Britain and national spirit was at a peak. The Federalist Party, which had called for the secession of New England during the war, dissolved and disappeared from politics.

America patriotic spirit surged in **Madison**'s presidency and remains undiminished to this day.

In 1816 **Madison** approved a taxation system, a standing army, and a national bank.

In 1817 **Madison** retired poor. His tobacco plantation was plagued by low tobacco prices.

In 1836 **Madison** died and was buried in Montpelier. Like **Jefferson**, the grave of **Madison** was memorialized by an obelisk. Like **Jefferson**, **Madison** is not believed to have been a free-mason. However, since the time of Nimrod and the Tower of Babel, the obelisk is the ancient symbol of the erect-phallus pointed up to the sky in revolt and rebuke to the authority of Almighty God to make laws for men. **Madison** the crafter of man's laws fit this mould.

## PROPHECY OF JEREMIAH

**“Therefore deliver up their children to the famine, and pour out their blood by the force of the sword; and let their wives be bereaved of their children, and be widows; and let their men be put to death; let their young men be slain by the sword in battle.” (Jeremiah 18 v 21)**

**Madison** (1751 AD) is the prophetic compliment to **Jefferson** (1743 AD) just as the two were political allies all their careers. Their prophetic location in Scripture, **Jeremiah 18 v 13** (1751 AD) and **Jeremiah 18 v 21** (1751 AD) respectively, are bookends of the LORD’s complaint that Virgin Israel, the new nation of America, composed mainly of Christians, had done a terrible thing right from the start of her new life as a nation on earth:

**‘Therefore thus says the LORD; Ask ye now among the heathen, who has heard such things: the virgin of Israel hath done a very horrible thing.’ (Jeremiah 18 v 13)**

Specifically, America will not pay any honor to God’s Law in the Bible when formulating their laws of national government:

**‘Because my people hath forgotten me, they have burned incense to vanity, and they have caused them to stumble in their ways from the ancient paths to walk in paths, in a way not cast up’ (Jeremiah 18 v 15)**

**Jeremiah 18** verse **21** is the conclusion of the complaint of the LORD and pronounces a judgment of a bloody war upon America. God created the wonderful continent of America for them to enjoy and in return they enacted legislation that will keep Christian principles out of government, the legal system, and the public education system forever.

The prophecy of a bloody war upon America was fulfilled in the American Civil War (please see our paper [1743 AD](#) for details). Note the connection of the dates of the ACW to **1751**:

Beginning of ACW = **1751** + **110** years = **1861**.

The Spiritual Number **110** means ‘Day of Wrath’ {prophecy of judgment fulfilled}

End of ACW = **1751** + **114** years = **1865**.

The Spiritual Number **114** means ‘Renewal of Old Covenant’ {God’s grace limits it}

## SPIRITUAL NUMBER ANALYSIS

For a mind that has wisdom please read on. See truth from another perspective.

### PART ONE

Chapter **18** of Jeremiah is the **87<sup>th</sup>** chapter of The Prophets.

The spiritual number **87** means 'Saints Assembly'

The spiritual number **18** means 'Bondage'

Christians in America, the 'Saint's Assembly', will fight an uphill battle against the laws of the land, 'Bondage', which dictate the culture of the society will be permissive and amoral.

### PART TWO

Jeremiah **18 v 21** is the **19,406<sup>th</sup>** verse in the whole Bible starting at Gen **1 v 1**.

The number **19,406 = 62 x 313**

The spiritual meaning of **62** is 'Jerusalem Royal City'

The spiritual meaning of **313** is 'Lying Prophets'

The capital of America, 'Jerusalem Royal City', the place where laws go forth from the mouth of government, has spoken through **Madison** in the tongue of 'Lying Prophets'.

How great is the ignorance of an atheist? When men fashion laws according to their wisdom and not in accordance with God's laws, their laws cause sin. For example, the Bible says there are certain crimes which merit capital punishment. If a nation re-defines the penalty for capital crimes as defined in the Bible to be anything else than capital punishment it produces sin against God each time the appropriate Biblical punishment is not applied.

The American Constitution, the Bill of Rights, and the judicial rulings of the Supreme Court have resulted in sin of America piling up into a very great heap. Sodomy is legalized. Abortion is legalized. Same sex marriage is legalized. Permissively legalizing sins multiplies sins!

O blind guides! O lying prophets! Atheism misguides you! Judgment will come to America as surely as it came to ancient Judah and Jerusalem following the preaching of Jeremiah.

### PART THREE

Jeremiah **18 v 21** is the **1751<sup>st</sup>** verse of The Prophets starting at Isaiah **1 v 1**.

The number **1751 = 17 x 103**

The spiritual meaning of **17** is 'Victory'

The spiritual meaning of **103** is 'Image of God'

Man was made in the image of God. But God gave Adam a Law in the Garden of Eden to obey: do not eat fruit from the Tree of the Knowledge of Good and Evil.

Eve ate the forbidden fruit. Adam ate the forbidden fruit. What did they do? They ignored the Law of God and acted according to their own wisdom and knowledge.

What was the penalty for disobedience to God? Adam and Eve were thrown out of the Garden of Eden and God set a limit on their life, they died without eating from the Tree of Life.

The most basic spiritual lesson of the Bible is when God makes laws man disobeys them at his peril.

**James Madison** with all his magnificent legal training and brilliant mind missed the most basic principle of jurisprudence.

History proved (American Civil War) that God judges all nations.

And yet, America imprudently continues with its man-made laws, thus ensuring a final awful judgment to come.

The only hope is for souls who see the judgment coming to flee to the forgiveness of God, available only to those who through faith in him apply the virtuous blood of the innocent Savior, Jesus Christ who died on the Cross of Calvary.
