

1624 AD – ‘THE NEW ATLANTIS: THE MOST SECRET SOCIETY OF ALL’

“Therefore you shall speak to them this word: Thus says the LORD God of Israel: Every bottle shall be filled with wine. And they shall say to you: Do we not certainly know that every bottle shall be filled with wine?” (Jeremiah 13 v 12)

EVENTS IN 1624 AD

In 1624 **Francis Bacon** wrote (in Latin) ‘The New Atlantis’ – the account of a utopian society.

BACKGROUND

Francis Bacon (see our paper [1561 AD](#)) was a senior official reporting to **King James I**. He had a hand in drafting the Virginia Charter (see our paper [1606 AD](#)) which set forth the plan of establishment for the American Colonies based on settlers from a few hand-picked English families from a few chosen English towns. Government of the two Colonies would be conducted in two Secret Councils reporting back to a Secret Super-Council in England.

THE OLD ATLANTIS

In 360 BC the first mention of **Atlantis** comes in the writing of Plato. In his dialogue **Atlantis** is described as a large island between Europe and a large continent beyond it [America]:

For the ocean was at that time navigable; in front of 'the pillars of Heracles' [Gibraltar] there lay an island which was larger than Libya and Asia together; and it was possible for the travelers of that time to cross from it to the other islands, and from the islands to the whole of the continent over against them which encompasses that veritable ocean [Atlantic Ocean]...

With a government formed as a confederation not having a supreme ruler:

*Now in this island of **Atlantis** there existed a confederation of kings, of great and marvelous power, which held sway...*

Which disappeared into the sea:

But at a later time there occurred portentous earthquakes and floods, and one grievous day and night befell them, when the whole body of your warriors was swallowed up by

the earth, and the island of Atlantis in like manner was swallowed up by the sea and vanished; wherefore also the ocean at that spot has now become impassable...

Importantly, Plato in his writing asserts **Atlantis** existed '9,000 years' before his time.

THE NEW ATLANTIS¹

In his novel a mythical island 'Bensalem' is discovered by sailors lost at sea in the Pacific. The book describes the customs of the inhabitants.

The inhabitants have a Bible and a letter from a saint who arrived there a few years after the ascension of 'Jesus'. The people observe a feast called 'the Feast of the Family'.

Bensalem describes itself as a 'House of Strangers' a secret society:

We of this island of Bensalem have this, that by means of our solitary situation, and the laws of secrecy which we have for our travellers, and our rare admission of strangers, we know well most part of the habitable world, and are ourselves unknown.

A closed society which has no way to exit:

Only this I must tell you that none of you must go above a karan [that is with them a mile and a half] from the walls of the city without special leave.

The reason for the secrecy is wealth:

Ye shall understand that the Stranger's House is at this time rich... for it has laid up revenue these thirty-seven years.

Salomon's House serves as the 'Eye of the Kingdom'. The purpose of the College is:

the knowledge of causes, and secret motions of things; and the enlarging of the human empire affecting of all things possible.

By special order of the 'God of heaven and earth' the sages or 'wise men' have discernment of miracles, works of nature, works of art, and a set of instruments to conduct scientific research.

The inhabitants are chaste and pious, having high moral character and honesty. There are no dissolute houses [drinking establishments], no courtesans [prostitutes].

Salomon's House observes rites:

We have certain hymns and services, which we say daily, of Lord and thanks to God for His marvellous works; and some forms of prayer, imploring His aid and blessing for the illumination of our labors, and the turning of them into good and holy uses.

The Head is evidently a priest for he grants blessings:

And when he had said this, he stood up; and I, as I had been taught, kneeled down, and he laid his right hand upon my head, and said; "God bless thee, my son; and God bless this relation, which I have made. I give thee leave to publish it for the good of other nations; for we here are in God's bosom, a land unknown.

They have skill to create illusions:

We represent also all multiplications of light, which we carry to great distance, and make so sharp as to discern small points and lines. Also all colorations of light: all delusions and deceits of the sight, in figures, magnitudes, motions, colors; all demonstrations of shadows.

And fake miracles:

And surely you will easily believe that we, that have so many things truly natural which induce admiration, could in a world of particulars deceive the senses if we would disguise those things, and labor to make them more miraculous.

They take secret oaths:

And this we do also: we have consultations, which of the inventions and experiences which we have discovered shall be published, and which not; and take all an oath of secrecy for the concealing of those which we think fit to keep secret;

In order to keeps secrets from the State:

...though some of those we do reveal sometime to the State, and some not

They claim supernatural power through angels:

At this speech the Governor gave a gracious smile, and said; "That we did well to ask pardon for this question we now asked: for that it imported, as if we thought this land, a land of magicians, that sent forth spirits of the air into all parts, to bring them news and intelligence of other countries." It was answered by us all, in all possible humbleness, but yet with a countenance taking knowledge, that we knew that he spake it but merrily, "That we were apt enough to think there was somewhat supernatural in this island; but yet rather as angelical than magical".

PROPHECY OF JEREMIAH

"Therefore you shall speak to them this word: Thus says the LORD God of Israel: Every bottle shall be filled with wine. And they shall say to you: Do we not certainly know that every bottle shall be filled with wine?" (Jeremiah 13 v 12)

To understand the prophecy we must appreciate the figures of speech. Jeremiah speaks of 'bottles' which is the Hebrew word נֶבֶל [neh'-bel] which is translated: 'bottle, jar, skin (of wine), or pitcher'. Using the meaning of Hebrew letters we can narrow down the meaning:

Nun	=	Spiritual Leader (Priest)
Beth	=	House (of)
Lamed	=	Trail of Blood
Beth + Lamed	=	Bel (God of Babylon)
Nebel	=	Priest (of) Bel (chief-god of Babylon)

The 'bottles' or 'skins' of which Jeremiah speaks are Priests of Bel (the chief-god of Babylon).

The gematria of the letters is: **Nun (50) + Beth (2) + Lamed (30) = 82** 'Throne of God'

Nebuchadnezzar the King of Babylon in the prophecy of Daniel was King of the World. Therefore, **Bel** is 'God of this World' spoken of in the New Testament, who is **Lucifer** or **Satan**.

Babylon was destroyed, but the priesthood of Babylon was not destroyed. The high priests and elders from Solomon's Temple who were exiled to Babylon learned the craft there.² They brought it back and practiced it during Herod's Temple³ and have continued to do so since.

After the second exile, the same people returned to Babylon, their second home, and established modern day Rabbinical Judaism by drafting the Mishnah and Talmud. These man-made laws added to the Torah do not come from the LORD; they constitute a new man-made religion. The Jews who belong to this new religion don't suspect there is secret demon worship practiced by their former priests and elders. (Although they might have guessed it from how their priests and elders behaved during the last days of the Kings of Judah when God sent Jeremiah to warn them.)

But, the descendants of the high priests of Solomon's Temple, who became the high priests of Herod's Temple, have continued their priesthood of **Bel**, the god of Babylon, to this day.

It is to these Satan worshipers hiding within Judaism that Jeremiah addresses his prophecy.

Therefore you shall speak to them this word:

We return to the **New Atlantis** account of **Francis Bacon** and now the interpretation is clear.

Bensalem in Hebrew means 'Son' (**Ben**) of 'Jerusalem' (**Salem**). The community is composed of the descendants of the second Jewish exile.

Bensalem is not an allegory of **Free-Masonry**, a secret society comprised of Gentiles.

Bensalem describes another more powerful secret society, above **Free-Masonry**.⁴

'House of Strangers' – Secret Society of Jews descended from second exile families

'Salomon's House' – Inner Circle Secret Society of descendants of high priests and elders

² Demon worship was natural for them because Solomon's Temple was in rebellion to the will of God. The LORD never commanded his people to build a temple of stone. When this entered David's mind the LORD forbid him to build it. So David gave the design to his son Solomon and he built it. Please see our paper '[I am the Sinner](#)' concerning the sin and downfall of David.

³ Likewise, Herod's Temple was not built according to any instructions from the LORD but out of man's imagination, a rebellion.

⁴ The author believes Francis Bacon was a leader of Free-Masonry and also a full member of both Bensalem societies. Somehow he qualified for both in the same way he was a member in the Privy Council of King James I and at the same time served as an MP.

Note carefully, few Jews from the second exile are members of these secret societies. Many Jews throughout the world, the great majority of Jews, have no knowledge of them. We warn the reader against the sin of anti-Semitism. Do not hate Jews because a tiny minority of them practice sorcery. This is a grave error and not supported by this paper. Jesus loves all Jews and He made provision to offer them salvation after the Great Tribulation begins.

Thus says the LORD God of Israel:

The prophecy pertains to **America** ('Atlantis').

America is [the prophetic fulfillment of the tribe of Ephraim](#) who was the lead tribe for the northern kingdom of Israel. (See our [Page 4 Prophecy](#) and the map of the [Tribes in the Desert Camp](#)). When we read 'LORD God of Israel' in the prophecy of Jeremiah the application in modern times of Israel is nations with a Christian heritage.⁵

Every bottle shall be filled with wine.

To understand this prophecy we must look at the Hebrew word for 'wine' which is: יָיִן (pronounced 'ya-yin'). [Note: Hebrew reads from right to left].

Hebrew 'Yod' = Hand of God

Hebrew 'Yod' = Hand of God

Hebrew 'Nun' [*Sophit*]⁶ = Pride of Riches and Power

⁵ All the sons of Jacob born outside the Promised Land are prophetic of Gentile nations. Leah's children pertain to Gentile nations prior to the severing of England from Catholicism. Rachel's children pertain to the England (Manasseh) and the United States (Ephraim). Benjamin was born in the Promised Land – he is prophetic of the modern state of Israel.

⁶ Certain Hebrew letters change shape and meaning when they occur at the end of a word. These are called 'Sophit' letters.

The destiny of **America** is to carry the mantle of **Babylon** – the dominant world power – for a period of time. This will occur because **Bensalem** ('hand of God') controls **Free-Masonry** ('hand of God') which controls America ('Pride of Riches and Power').

Again, we emphasize that 'God' here refers to the 'God of this World': Lucifer or Satan.

The gematria confirms this interpretation: **Yod (10) + Yod (10) + Sophit Nun (700) = 720**.

The spiritual meaning of **720** is 'Ends of the Earth Tremble'. **America** will become a world super-power, just as **Babylon** was the world super-power in ancient times.

The bottles, the priesthood of Bel, administering from within the **House of Salomon**, through the **House of Strangers**, through **Free-Masonry**, will be filled with wine – filled with laughter that comes with such power – being elevated so high after falling so low.

Is **America** the '**Babylon the Great**' of the Book of Revelations? Now dear reader you are truly foolish of prophecy if you wonder such a thing. What did Plato say of Atlantis? It was an island that sank into the sea. **America**, the confederation of kings [i.e. a democracy] is doomed to repeat the process. **America** plays the role of set-up man for birth of the modern state of **Israel** which precedes the final world power '**Babylon the Great**' which erases all nations from the earth (except Israel) and replaces them with the Empire of the Antichrist.

And they shall say to you: Do we not certainly know that every bottle shall be filled with wine?

As he contemplated the end of all things falling in favor of plans of the secret societies that **Francis Bacon** was so intimately involved with, he could not sit still reveling and exulting.

He had to write **New Atlantis** as a proof to boast to future generations of his great knowledge of the things to come ('Do we not certainly know?') and his hand in making it coming to pass.

This is why the people of **Bensalem** have a copy of the **Bible**. Through the **Bible** they understand how the prophecies of Scripture will be fulfilled through the people of Judah.

Did they know who Jesus of Nazareth was? Did they knowingly crucify the Messiah of the Jews? Of course they did. Why? Because they were not Jews themselves but priests of Bel disguised as Jews – they stood to gain nothing from the genuine Jews accepting their true Messiah. They had to kill Jesus or their Antichrist and world power would never come to pass.

As the descendants of the same high priests and elders of Judah who crucified Jesus, the inhabitants of **Bensalem** understood 'the secret motion of things' through the prophecies of the **Bible**, and so they have foreknowledge of the future unfolding of the world's affairs.

Dear reader, pay attention! The prophecies of the Bible did not stop at the Cross. This is the whole point of this paper and our other papers in Isaiah and Jeremiah. God speaks today!

With this foreknowledge, they can organize and administer centuries before events transpire and gain immense wealth thereby. Over time immense wealth combined with foreknowledge of world affairs working through agents at the highest levels of governments will eventually make their hegemony in the world invincible. It also will make elimination of Christians essential since we are the only ones with the spiritual insight to know the Devil when we see him and the spiritual power to resist his schemes until the end comes, as surely it will.

SPIRITUAL NUMBER ANALYSIS

For a mind that has wisdom please read on. See truth from another perspective.

PART ONE

Chapter **13** of Jeremiah is the **82nd** chapter of The Prophets.

The spiritual number **82** means 'Throne of God'

The spiritual number **13** means 'Rebellion'. What greater rebellion to Jehovah is there than to worship Lucifer or Satan, the 'God of this World'?

PART TWO

Jeremiah **13 v 12** is the **19,279th** verse in the whole Bible starting at Gen **1 v 1**.

The number **19,279** = **13 x 1483** [**235th** prime]

The spiritual meaning of **13** is 'Rebellion'

The spiritual meaning of **235** is 'Grovelling Indignity'

The spiritual meaning of **1483** is 'Rise by Causing Others Ahead to Fall'

Here there is an unmistakable Scriptural link to **Judah** the son of **Jacob** and his besetting sin.

The **1483rd** verse of the Bible is Genesis 49:9

Judah is a lion's whelp: from the prey, my son, thou art gone up: he stooped down, he couched as a lion, and as an old lion; who shall rouse him up?

The book of Genesis describes the habit of **Judah** to 'Rise by Causing Those Ahead of You to Fall'.⁷ We will give two examples:

1. **Joseph** was the favorite son of **Jacob**. His brothers hated him even more because he dreamed they would bow down to him. **Judah** was the one who made this suggestion: '**What will we profit if we kill our brother and cover up his blood? Come, let us sell him to the Ishmaelites**' (Gen. 37:26-27) **Joseph** was ahead of **Judah** in the favor of his father **Jacob**. When he had the chance **Judah** could not resist causing **Joseph** to fall.
2. **Reuben** was the firstborn of **Jacob** through **Leah**. **Reuben** was the full-brother of **Judah**, same father and same mother. There should have been a bond of brotherly love and fealty between **Judah** and **Reuben**. There was not. **Judah** waited for his chance to cause his brother to fall. **Reuben** lay with **Bilhah** the maid of **Rachel**, the rival-wife of **Leah**. The Bible says '**Israel heard of it**' (Gen. 35:22). Who whispered in **Jacob**'s ear that **Reuben** had defiled his couch? Who stood to gain from **Reuben**'s fall? **Simeon**, **Levi**, and **Judah**. But we know **Simeon** and **Levi** were jealous of the honor of their siblings, because they revenged the rape of **Dinah**. This only leaves **Judah** as the possible betrayer. **Reuben** must have disclosed his dirty secret to his three full brothers: boasting he had fornicated the maid of **Rachel**, the rival-wife to their mother **Leah**. **Judah** would have had opportunity (secret knowledge of the affair) and motive.

'from the prey, my son, thou art gone up:'

Judah made '**prey**' of others ahead of him in favor and grace. He learned this scheme worked and so he perfected it. He was made after the image of **Jacob**, the Deceiver, who calls **Judah**: '**my son**'. By his schemes **Judah** attained the mantle he desired: '**thou art gone up**'

The descendants of the elders of **Judah** continue to practice manipulation of world affairs through secret and unscrupulous means. The mantle they desire now is world supremacy. No surprise the House of Strangers is closed and secretive; House of Salomon even more so.

⁷ **Judah** inherited this device of causing others ahead of him to fall from his father **Jacob**, who caused the downfall of **Esau** through deceit and treachery (see Genesis 27)

PART THREE

Jeremiah **13 v 12** is the **1624th** verse of The Prophets starting at Isaiah **1 v 1**.

The number **1624 = 7 x 232**

The spiritual meaning of **7** is 'End'

The spiritual meaning of **232** is 'Repulsive People'

This paper is proof: Almighty God is fully aware of everything that is done in secret and intimate with all their plans and deceits before they occur.

Those who participate in **Bensalem** will not ultimately succeed because Almighty God [**Jehovah**] is wiser than all their wisdom and Almighty God [**Jehovah**] is more powerful than all their power.

The angelic wisdom they rely on comes from **Lucifer**, the angel of light. The angelic power they draw on comes from **Satan**, the adversary of the Son of God – the LORD Jesus Christ.

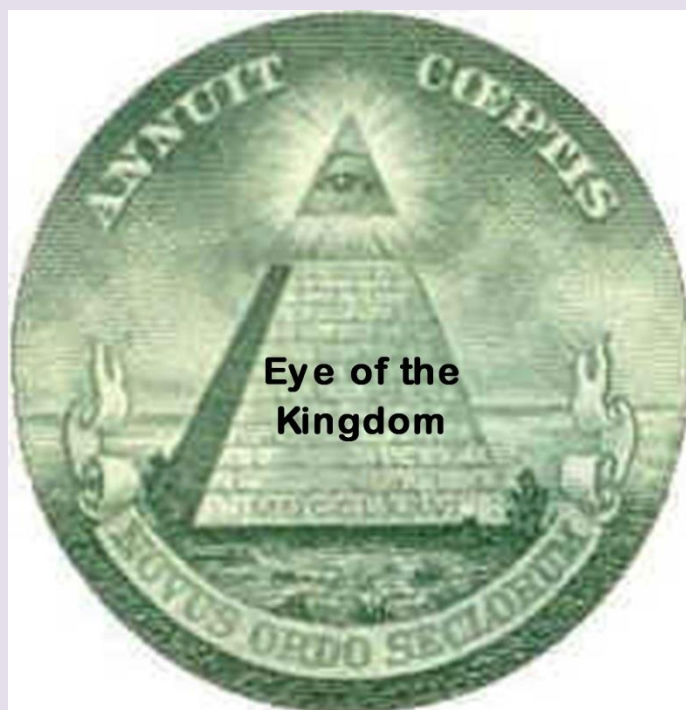

Yet the same Bible which the scribes of **Bensalem** consult to obtain foresight into the world's affairs predicts the fall of **Satan** from Heaven:

'And he said unto them, I beheld Satan as lightning fall from heaven.' (Luke 10:18)

'And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceives the whole world: he was cast out into the earth, and his angels were cast out with him.' (Rev. 12:9)

If the inhabitants of **Bensalem** lose all their angelic power, then their downfall is assured:

'And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone.' (Rev. 19:20)
