

## JOHN 1 – Gematria Study

## INTRODUCTION

Readers who want to learn more about the numerical values for Greek and Hebrew letters are invited to visit our pages on the site: [Hebrew](#) and [Gematria](#). The Greek letters in this study are taken from the KJV source of the text in the original languages. The meaning of Bible Numbers is based on our own conclusions. See the [Introduction](#) on our site for more information. Blessings. servant mark.

When a number is in square brackets it is the ordinal of the prime. E.g. 1657 is the 260<sup>th</sup> prime and 3617 is the 506<sup>th</sup> prime (see below). Numbers in yellow are the sum of the Gematria of the words in the verse. The Bible and NT verse counts exclude the last 12 verses in Mark 16 (which are disputed).

## FACEBOOK POST ON JOHN 1 (26 April 2018)

John 1. What is it about? Prophetically?

As we have been sharing the Book of John, as the last of the four Gospels, is prophetically concerned with the Last Days of the Age of Grace.

For the Beast and the False Prophet to become all powerful the world order we see today must pass away. America is the most powerful nation in the world. The first chapters of John deal with the downfall of America.

We have determined the Gematria, the numerical value of all the Greek letters, in John 1 is 452,361.

$$452,361 = 273 \times 1657$$

273 means KING'S BEHAVIOR UNDIGNIFIED

The 273rd Bible chapter is 1 Samuel 6 where David dances half naked in public.

1657 means WINE BURSTS THE SKINS: WHERE IS JUSTICE?

The 1657th Bible chapter is Job 32 where the youth Elihu blows his cool and publicly rages at Job.

This is fascinating because the THIRTEEN American colonies rebelled against Great Britain {WINE BURSTS THE SKINS} on the claim {WHERE IS THE JUSTICE?} that they were being taxed but had no representation in parliament.

Furthermore: America adopted the Republican model of government: rule by the people for the people. This permitted them to completely cut ties with despotic monarchies of Europe {KING'S BEHAVIOR UNDIGNIFIED}.

John 1 is prophetic of the origin of America starting with the dispensation of the King of Great Britain to colonists to claim land in the New World:

"In the beginning...

was the WORD

and the WORD

was with GOD

and the WORD

was GOD"

Please understand, Jesus is the WORD of GOD. But we are not reading John 1 literally, we are reading John 1 prophetically.

Prophetically, America began as a dispensation {WORD} of the King of Great Britain {GOD}.

The THIRTEEN colonies were given a legal existence because of a ROYAL CHARTER. Furthermore, they were granted certain privileges under the CHARTER, because they recognized the ultimate authority of the KING {GOD} over them.

However, this would not last. Because a spirit of REBELLION (13) was afoot in those colonies. And no sooner were the colonies established than they lashed out at the AUTHORITY of the KING by whose right they were granted birth and by whose power they were protected (from pirates; and from predation by rival world powers).

Right in John 1 verse 1 we see an amazing prophecy!

The principle of the Right of Kings, which has existed in this world since Nimrod, would be usurped and the Last Days would be marked by New Governments which do not recognize Kings.

This is what the gematria of John 1 tells us:

KING'S BEHAVIOR UNDIGNIFIED

WINE BURSTS SKINS: WHERE IS JUSTICE?

America has a holy obsession with Justice.

Why? Because:

IN THE BEGINNING WAS THE WORD

AND THE WORD WAS WITH GOD

AND THE WORD WAS GOD

America threw out the Right of Kings. In its place America adopted a new WORD (the Constitution); which would govern her affairs with ULTIMATE AUTHORITY (God).

(In doing so, America set aside the authority of the Bible as governor of the affairs of men, but that is another story).

What happens next?

THERE CAME A MAN SENT FROM GOD WHOSE NAME WAS JOHN.

American history took major turns when prophets appeared.

What prophets?

We aren't talking literal prophets. If the WORD (American constitution) is GOD (ultimate authority) then John 1 prophesies that men would appear in American history to challenge the status quo on the basis that America departed from its Constitutional obligation.

Specifically, there are two American "prophets" that immediately come to mind. These two changed American history on the basis of calling the American people to greater obedience to the Constitution:

ABRAHAM LINCOLN

MARTIN LUTHER KING

Now, as we read in John 1, the Pharisees examined John closely and he clearly told them

**I AM NOT THE MESSIAH.**

**I AM THE VOICE OF ONE IN THE WILDERNESS MAKE STRAIGHT THE ROAD**

Both Abraham Lincoln and Dr. King have stone monuments in Washington DC.

Because both called America to great obedience to her founding document. But neither called for a revolution nor for an overthrow.

But! Messiah appears in John 1. A man calling for a new revolution is coming.

America is due for a shake-up.

WINE WILL BURST THE SKINS: WHERE IS THE JUSTICE?

Eventually, America will fall apart. Because a REBELLION will arise of indignant colonists who will be fed up with Washington: KING'S BEHAVIOR UNDIGNIFIED.

Donald Trump. Dignified? DON'T THINK SO. Acting like a Despotic Ruler? THINK SO.

How will it all unfold?

It will start with the youth: ELIHU raging against JOB

**"Indeed my belly is like wine that has no vent;**

**It is ready to burst like new wineskins" (Job 32)**

Does this not graphically suggest spilled blood; even that from the bowels of American youth?

Young people in America are tired of being massacred in their schools while the supposed adults sit idly by and do nothing.

The spirit of REVOLUTION is in the air. We are in the Last Days. America as a political system is playing out her string.

All this must happen before the end comes. But, we are only in John 1. How exciting it will be to unpack the following chapters.

Blessings
