

JOHN 6 – Gematria Study

INTRODUCTION

Readers who want to learn more about the numerical values for Greek and Hebrew letters are invited to visit our pages on the site: [Hebrew](#) and [Gematria](#). The Greek letters in this study are taken from the KJV source of the text in the original languages. The meaning of Bible Numbers is based on our own conclusions. See the [Introduction](#) on our site for more information. Blessings. servant mark.

When a number is in square brackets it is the ordinal of the prime. E.g. In verse 1: 232,699 [20,640] means 232,699 is the 20,640th prime. Numbers in yellow are the sum of the Gematria of the words. The Bible and New Testament verse counts exclude the last 12 verses in Mark 16 (which are disputed).

<u>Event</u>	<u>Bible Chapter</u>		
(Because you did this: you are cursed)	(Gen 3)	3 BINDING: Yoke	
(Secret Priesthood: holy garments hidden)	(Ezekiel 42)	232,699	0
(Feast of Great Shah: Queen Vashti deposed)	(Ester 1)	[20,640]	OBEY YOUR HEAD (PENIS)
Total Chapter Gematria:		698,097	
(Promised Land is before you: take it)	(Deut.1)	154	GOD IS JUDGE
