**30 COMA****BIBLE NUMBER 30 MEANING:** (Our interpretation)

"HOT BLOOD" (Anger, dissensions, bickering, divisions, rivalry in the family)

**SOLOMON'S WISDOM:** (Proverbs Chapter 30 speech on Heavenly Signs)

v.24 [There are four which are little on the face of the earth, but they are exceedingly wise:]  
 v.25 "The ants are a people not strong; yet they prepare their food in Summer [hot days]"

**BIBLE BOOK:** AMOS

**KEY VERSES:** {see below}

c3 v7 "Surely the Lord God does nothing unless He reveals His secret to His servants the prophets"  
 c7 v7 "Behold the LORD stood on a wall with a plumb line, with a plumb line in his hand"  
 c7 v8 "I am setting a plumb line in the midst of My People Israel - I will not pass by any more"

**SIGN DESCRIPTION:**

PLUMB LINE: Land is measured (it will soon be sold)

**SIGN INTERPRETATION:** (per Genesis 30)

It is said that children in a playground with a fence are the happiest. COMA describes a playground, the Promised Land, whose fence is partly in repair, partly broken down. The Author sees the repaired links of fence between the three bright stars: alpha, beta, gamma. But the rest of the field has no fence. The fence is our protection, which is provided by our Lord. But the LORD says He will not pass by anymore: He will no longer guard the field because the children in the playground are not playing nice. On the wall that is repaired the watchmen, figuratively the ants, see all this and they are making preparations for the end of Summer. In Genesis 30 we have this exchange: "Now when Rachel saw that she bore Jacob no children, Rachel envied her sister and said to Jacob "Give me children or else I die!". And Jacob's anger was aroused against Rachel and he said "Am I in the place of God who has withheld from you the fruit of the womb?" So Rachel gave Jacob her maid Bilhah and Jacob sired two hot blooded sons through her: Dan and Naphtali. Leah followed suit and gave Jacob her maid Zilpah who bore Gad and Asher. Leah bore Zebulun. Then finally Rachel bore Joseph. What did all this child-bearing accomplish? The contention between Rachel and Leah simply expanded and multiplied to more people. Jacob's household became a fractious divided family: one father, four mothers, eleven assorted half-brothers. Mistrust and antagonism inevitably leaked out into Jacob's relationship with Laban. Jacob wanted to keep flocks of his own. Before long Jacob was prosperous and had large flocks, which further irritated Laban. Not that it mattered, Jacob had resolved to leave him. Jacob here is figuratively the LORD. He will no longer guard the flocks of Laban. His plan is to move his family to Canaan where the contentious sons will have more room: and can coexist apart from each other in their own regions: A large scale family break-down. NB. Galaxy Messier 64 (M64) is called the "Black Eye" or "Evil Eye" galaxy: Family Feud!

**β Com:** No Leaven Shall Be Eaten For Seven Days

Bible Chapter: Exodus 13

Subject: Feast of Unleavened Bread: to remember the LORD brought his people out of Egypt

Insight: How is contention and rivalry healed? Parents will send kids who are fighting to their separate rooms to chill out. Leaven causes bread to rise, to puff up.

The Feast of Unleavened Bread is a time for everyday activity to stop and to eat unleavened bread: quiet the emotions, humble the spirit, and contemplate the goodness of the LORD. This ought to be the saint's everyday practice to ensure relationships never get out of hand: to keep the 'fences mended'.
