And the House where he dwelt had another Court inside the Hall... Solomon
also made a house like this Hall for Pharaoh's daughter whom he had taken as wife"

SIGN DESCRIPTION:

LIVESTOCK SORTING PEN: THE KEEPERS & THE CULLS

SIGN INTERPRETATION:

In Genesis 11 the craftsmen of Babylon said "Come let us build a city and a Tower whose top is the heavens; let us make a name for ourselves". The Tower they proposed was a city: a self-governing and autonomous conclave within the state. The authority of the State was diminished. But the goal of this Tower was to reach "the heavens": to ultimately remove state authority: "make a name for ourselves". As such, the Tower was, and is, a seditious plot to overthrow and undermine governments.

β Cnc TARF: The Culls

Bible Chapter: Exodus 32

Subject: Idolatry of the Golden Calf

Insight: The High Priest led the People straight into idolatry: explaining that their God was a golden calf, which he himself had just fashioned. What might the consequences be? Had Aaron's new religion succeeded, the worshippers of Jehovah would have been slaughtered by the Levites. Except Moses came down the mountain and the ones who supposed they were the Keepers became the Culls.
