SIGN INTERPRETATION: (per Genesis 36)

CANIS MAJOR is the left leg of the Great Image of Nebuchadnezzar. The Author sees the brilliant star Sirius as the KNEE. Prophetically, the head was Babylon, the chest was Media-Persia, the loins and thighs were Greece, and the legs were Rome (West and East). Rome's fame wasn't just in battle. Their wise republican system of government proved resillient.

The star Sirius is also another wise leader, Esau. Sirius is a red giant. And Esau came out of the womb hairy and red. As a hunter he saw lots of bloodshed.

Edom is reputed in the Bible for wise men. Why did Esau consider his birthright of such little value? Esau heard that Abraham received a prophecy: "**Know certainly that your descendants will be strangers in a land that is not theirs, and will serve them, and they will be afflicted four hundred years**" (Gen. 15 v 13). Esau sold his birthright. He didn't want to be anyone's servant or to be afflicted for hundreds of years. So, he left his home land and camped on a mountain as God directed him. If Jacob or Jacob's family suffered in Egypt it was not his concern. The Edomites dwelt in mount Seir for a thousand years. An impressive feat. Combine strength and wisdom and you get a brilliant star! (In man's eyes)

But Isaiah 45 v 23 says: "**I have sworn by Myself; the Word has gone out of my mouth... that to Me every KNEE shall bow...**". On Esau's tomb might be inscribed the words "I did it my way." He was master of his destiny and captain of his fate. But in the end who will be the EXALTED MAN? Jesus will return to this world as KING and with Him the faithful ones. They will enjoy the good life they missed when they served the LORD and suffered affliction.

Sirius: Keep My Statutes & Judgments or the Land will Vomit you Out.

Bible Chapter: Leviticus 18

Subject: Laws against incest

Insight: In addition to strength and wisdom, Rome was noted for decadence and sexual excesses. The left leg of the Great Image of Nebuchadnezzar, Rome East, became Byzantium who took pride in their Roman legacy. They did become an officially Christian empire and eradicated pagan temples and festivals. But Justinian married a common woman who was an actress and prostitute. God sent a great plague. Though Byzantium lasted a thousand years, God wiped them off the map.
